## Ryan Gosling - America's finest Nick Johnstone

- <sup>1</sup> Ryan Gosling's story is not the story of an actor born into a privileged Hollywood family, whose parents were producers, screenwriters, publicists, directors, cinematographers or talent agents.
- <sup>5</sup> Instead, it's the remarkable tale of a small-city Canadian boy from a modest background, who, through hard work, perseverance, the occasional lucky break and a bright, shining talent, has managed to turn himself into one of the most respected actors of his generation.
- <sup>10</sup> Ryan was enrolled at Cornwall Collegiate and Vocational School. On account of his passion and talent for singing and dancing, he gravitated towards drama classes, where he shone. His singing ability also marked him out for recognition and praise from the teachers, who
- <sup>15</sup> advocated for him to become a key member of the school choir. Despite finding a way to build on his interest in singing and dancing within the framework of school life – a framework that had at times felt like a cage to him – Ryan wanted to break out of the school
- <sup>20</sup> path ahead of him and, in 1993, barely a year after he started his high school education, a once-in-a-lifetime opportunity popped up, offering that escape route.

The story begins with his sister Mandi spotting an item in a newspaper about an audition that was to be held

<sup>25</sup> in Montreal. The audition was taking place in a bid to search for potential new Mouseketeers to join a revival of the hugely popular Disney TV show The All New Mickey Mouse Club.
